

## Worlebury Willows Preschool

### Local Offer

At Worlebury Willows Preschool we want all children to achieve their full potential. We believe that children should lead fulfilling lives, become confident individuals and that they have the right to expect the support they need to achieve this. It is essential that parents are actively involved in the decisions that affect their child and that the views, wishes and feelings of both the child and parents are actively sought and incorporated into support packages. Our aim is to provide support to children and parents, working co-operatively with them and external agencies.

Our SENCO is: Sophy Booker

Any child with special educational needs and/or disabilities will be welcomed at Worlebury Willows Preschool. We are committed to our Equality & Diversity and Inclusion Policies and do not discriminate against any child with additional needs. Admission will be agreed within the constraints of the building, the child's requirements, our abilities and the number of children with special needs and disabilities currently cared for, but always in consultation with parents and the local SENCO team at North Somerset County Council to ensure that we are acting in the child's best interests. Our building is wheelchair accessible.
